

MAX-PLANCK-GESELLSCHAFT

Information required to create the PhD External Representative Election Survey

The survey will be created using  LimeSurvey

Please fill in the required information:

Name of the institute	
Dates of the election (also one date possible)	-

Name of the members of the Election Committee (at least 2):

Name of the people running for the election:

List of emails of the people eligible to vote: (attached excel sheet)

You can simply attach an excel sheet for this

Should an email be send during the election to remind to vote? (In case there is more than one day of election)

Yes No

If yes, when do you want it to be sent (multiple dates possible)?

Thank you!
