

2024 Agenda - PhDnet Steering Group

Communicate effectively between MPG and the doctorate body

Serve as a contact for issues relating to power abuse and mental health using a drafted protocol

Increase visibility of Planck Academy and programs within MPG

Publish the '22 & '23 PhDnet Survey Reports

Ensure open access & political neutrality

Streamline onboarding processes across institutes

Encourage mandating TACs (or similar support structures) & guidelines for mentoring doctorate students

Collaborate with neighboring organizations & networks

(e.g. MPG, N2, PostdocNet, LeadNet, Helmholtz)
